

Vlado Psenko's Bible related book printed by Eastern European Mission, Vienna

EASTERN EUROPEAN MISSION re-printed and delivered to us 3,000 new samples of the Bible related book "GOD'S WHISPER IN THE VALLEY OF BLESSINGS—third addition", which I wrote based on my radio/TV scripts. We thank God and Eastern European Mission in Vienna, Austria, for this wonderful work and for bringing us a tool in reaching the lost for Christ. Let the Lord be glorified!

THE RESPONSES continue, of which I have an average of five people per TV broadcasting, which encourages me to consider having one more TV station—in addition to local TV—to broadcast. However, I need a miracle from the Lord to find provision for payment for airtime of additional TV station. Please pray so that the Lord may open the doors.

KATA, a TV viewer called and expressed a desire to order our book, which we mail free of charge. She had a bad experience with Jehovah Witnesses, and she was suspicious of who stands behind our TV broadcasting. She did not want to order a book herself until she knew everything about it. She said, on the phone with me, something like this: "Please, do not be offended! I am a Catholic and nobody in the world will shake the faith of my parents!" As I listened carefully, she continued: "After watching your broadcasting, I came to two deep thoughts: you are not a Catholic, and on the other hand, your broadcasting did not stop my attention, on the contrary, your message has brought me to think more deeply about my relationship with God." After a long conversation with her, she finally said that she wants my Bible related book mailed to her.

VUKOVAR, March 17, 2018: Leaders of the Churches of Christ in Croatia with their wives and co-workers.

Dear Christian Friends!

In mid-March 2018, Vukovar was the host of the annual meeting of Churches of Christ in Croatia. Also present were representatives of other churches in Vukovar and the surrounding area. Leaders of the churches and their wives and co-workers, met in Lav Hotel for two reasons: to proclaim that Christ is the solution to everyday life challenges and to provide encouragement to the Church of Christ in Vukovar, especially in view of the Vukovar church's recent recognition by the government. To make Vukovar the place of meeting was especially promoted by brother Mladen Dominic, leader of Varazdin Church of Christ.

During these two days of meetings, leaders of the churches also held a special prayer meeting in our rented facility where they fervently prayed for Renata and me, along with Predrag and Radmila, and others who are a part of the Church of Christ - Vukovar. This was an enormous blessing to our small church and we praise the Lord for being able to host our dear brothers and sisters from Varazdin, Zagreb, Zapresic, Rijeka, and other places in Croatia. Local TV interviewed brother Mladen and me, and reported about this event. If you would like to see this footage, let me know, and I'll send you a link.

We continue with our regular meetings: Sunday worship service, Friday Bible study, and Friday English Bible study.

RESPONSES TV/RADIO/BOOK MINISTRY

Through TV and radio ministry we offer our Bible related book free of charge.

"When I began to read the book, my emotions were bursting and then became even stronger. Tears came. At some moments, I had the feeling that my dear God was sitting beside me silently whispering, the words from the book "NEVER WILL I LEAVE YOU; NEVER WILL I FORSAKE YOU" (Heb 13:5). I still wonder today, how is it possible that I received such a lovely gift, the most beautiful I could ever get? I dare to think how my dear God knows that after I lost my husband, the book became indispensable to me. Nowadays, when more and more people are "wounded and damaged in heart," like that old violin in the book, every written line in the book is a cure for the soul. It is a book in which everyone can find himself; a book in which everyone can find comfort; a book that tells you that you just need to continue walking in your faith." (Branka)

Please pray that the Lord may touch the hearts of our TV viewers/radio listeners/book readers even deeper so that they may commit their lives to Christ.
