Prayer Concerns & Praise Reports

Church Family

To date, over 166 names have been turned in in regard to salvation. We will not be publishing these names. However, please be in prayer for these family members, friends, co-workers and neighbors as God knows the names and he knows the situation.

Christian sympathy is extended to **Sam Weldon and family** in the death of his mother, **Jannett Weldon**. She passed away last Thursday, the 6th after an extended illness. Funeral services were held Monday, Sept 10 at Landmark Church of Christ, Montgomery, AL. If you would like to make a donation in her memory, the family has requested the following: "The Meredith Foundation" (in care of Landmark Church of Christ, "Landmark Missions Fund", or Baptist Hospice of Montgomery, AL. Please be in prayer for the entire family as they mourn.

Christian sympathy is extended to **Tricia Driggers** in the loss of **Bob**. He passed away Tuesday, the 11th due to his battle with cancer. A Celebration of Life service will be held on Saturday, September 22 at 4:00 pm here at HPC with a reception to follow. Please pray for Tricia and her family as they grieve.

Kenzie (Youth): Pray for my **Mama**. Pray that I can go home to my Mama very soon, and that Myrtle Beach does not get hit by the hurricane and that my Mama will be safe.

Sylvia Arthur: Pray for **Dan and Teri Goddard**, for strength and guidance as his health continues to decline.

Christina Custodio: I need prayers as I make decisions about possibly teaching in public school full time. God seems to be leading me in this direction, but sometimes I am slow to listen.

Kim Smith: No job prospects still. **Dad** got a good report from doctor. **Mom** still the same.

Stephen Gray: Prayers for **Sarah's** joint pain level this week.

Dale & Pat Midyette: Please pray for Allen's recovery from surgery.

Rex Keely: Please pray for **Annette**. Her back pain has increased dramatically. The recent surgery procedure has not helped. She will soon be going to Dallas to the Texas Back Institute.

Please continue to remember others in our family that are shut in and unable to worship with us regularly.

Friends & Relatives

Dale & Pat Midyette : **Rhonda Midyette (Dale's sister in law)** – health issues, for healing and hope

Wanda Williams: **My mom, Jessie McNair**, has become very weak. The doctor has arranged for palliative care to come in to help support and care for her. We appreciate your continued prayers for comfort and strength.

Caitlin Clearie (Guest): For the new school year and the new adventure that awaits!

Rebecca Graham (Guest): I'm starting my senior year at Furman, so please pray that it is a wonderful year in all aspects.

Puleo Family: **Coworker of Anthony, Tony**, may need surgery. He is worried about becoming homeless because recovery is 6 weeks.

Mitch and Doneli Read (Guest): **Niece** who overdosed – we will be taking **her 14 month old** for a week. Pray for our marriage

Elise Kemmerer, granddaughter of the Murphree's : After additional tests and evaluations, the doctors decided that ADEM was the correct diagnosis for Elise and began the steroid treatments. She is responding well and has made steady improvements, and was able to go home. Thanks to the Father for his healing power. We are grateful for the prayers and ask that you continue to remember Elise as her recovery continues, and that she will be able to return to school soon.

Joshua Lorentz: Kyle LeBlanc serving in Afghanistan.

John Baker: Brother-in-law **Rick** has been diagnosed with A Fib.

Jennifer Colley: Daughter – new baby sleeping

Patrick Tessner: Please pray for my Uncle **Kevin Hensley** as he had a very serious surgery over a week ago. Please also pray for his salvation.

Samantha Williamson: Prayers for my mom, **Donna** who has had many health struggles recently. She has lost partial sight in her left eye and doctors are letting her body try to heal itself as surgery is too risky at this time.

Cathy Dixon: Please continue to pray for my son and his family. He is now taking steps on his own. Thank you.

Jack and Anna Scruggs former members: **Jack** fell over a week ago and fractured his hip. They are not doing surgery and instead doing rehab and pain medication. He is having a lot of pain. He is at Rolling Green. Please keep Anna and Jack in your prayers.

Robbi Perry: My 81 year old mom, **Juanita Garrett**, has a large, malignant mass on her sternum, surrounding and compressing her aorta. We're waiting for final pathology results, but treatment options do not give favorable outcomes. Please pray for healing, guidance and peace.

Leah Wylie: Please pray as I take my NCLEX that I will do my best.

Carl Lancaster: Prayer request for unnamed woman suffering with caretaker fatigue.

Dana Fjeran: My mother (**Joyce Beers**) had a heart catheterization recently. She was almost 100% blocked in the right coronary artery and 80% blocked in a couple places so stents were placed. The doctor said she has very serious heart disease. Please pray for my mom, dad and our family as we learn more about what the next steps will be.

Don Axsom: My mother, **Earleen Stricklin**, is having some health issues.

Toya Adams: Asking for prayer for a co-worker, **Karren Sewell**. She had her toe amputated. Asking for a speedy recovery and comfort with dealing with the surgery and other things that she is dealing with at this time.
