Judy Johnson: Please continue to pray for comfort and peace as I am in the final stage of cancer.

Pat Hornsby: For the healing of our brotherhood in Christ. Continued growth in the Croatian church.

Laura Jennings: Please continue to remember **Mitchell** in your prayers. He has overcome several post-operative complications and is in therapy.

Ron Rabenhorst: Continue to pray for healing for **Brenda**.

Tabatha Bryson: **Lauren** is having her surgery on May 22nd in Charleston. Pray for a problem free surgery and recovery. Pray for me to be strong for my little girl!

Pat Hornsby: Pray for Carra Perkins as she has had her medication adjusted.

Please continue to remember others in our family that are shut in and unable to worship with us regularly.

Friends & Relatives

Wanda Williams: Mom, Jessie McNair, is now in a rehab facility. She lost a lot of strength and was having difficulty walking. She is gaining her strength back, thank God! Still waiting on pathology results to determine next steps. Doctors think it's an aggressive cancer. We're praying it's not, but that He will give her whatever she needs if it is. Thanks so much for your prayers and support.

Kristi Kline: My roommate's younger sister, **MyCaila Clardy**, 18, has been having intense headaches and vision issues. The results of all of her testing has come back. She does have an mass behind her eyes affecting her spinal cord, but fortunately they do not believe it is cancer. They are going to be starting her on a few medications that the doctors hope will resolve the complications without surgery.

Bakers: Pray for a smooth transition for the **Cahoons** as they move back to Greenville.

Yvonne Reeder: Travel praise to God for blessing my family with safe travel.

Gary & Nancy Jones: Coraline had surgery on the 9th to have a tethered cord repair. (As of this printing, all things are going well with her recovery.) Pray for Coraline and her entire family as she heals.

Wanda Martin: Prayers for my sister **Nancy** who lives in Fountain Inn. She says she is seeking God.

Lonnie Byrd: Keep praying for comfort and wisdom for my family. **My Mom** has been through so much, and has excruciating pain. On top of that, the cancer is back in her jaw once again.

Vicki Cannon: Pray for salvation for my brother, **Bobby Stevens**. He also has cancer on his nose and now possibly has cancer on his ears. He is still recuperating from open heart surgery, and not healing as fast as he thought.

Francie Koenig: My son-in-law, **Dick Mavis**, had prostate surgery on the 7th. Pray for his healing.

Warren Martin: Please pray for **my children and my grandkids**.

Alison Wofford: My mother, **Janet Adee** has been diagnosed with congestive heart failure, and will have to have open-heart surgery soon (not yet scheduled). The course of treatment afterward has not yet been determined.

Shelba Taylor: My granddaughter, Phoebe is moving to Atlanta for a new job. Please pray for her to perform an excellent job.

Aaron Galloway's father, Frank had quadruple bypass surgery over a week ago. Please pray for his recovery.

Emily Keith: My co-worker's mom's cancer is in stage 3, and is about to start chemo soon. My co-worker is going to Boston for 2 weeks to help out.

Toya Adams: Asking for prayers for a co-worker, **Ruth McAmich** and her family. She has 4 different cancers and they are all in Stage 4. This family really needs our prayers.

Toya Adams: Requesting prayer for my daughter, **Megan Andrews**. She had back surgery on the 19th. Asking everyone to pray for a speedy recovery for her as well as prayers for her family.

Thomas Bayton: Please pray for me as I am having cataract surgery in June for both eyes. Please pray for **Rachel** who is having oral surgery soon, and pray for her family as they are going through rough times. Please pray for **Cassandra McKie as her sister** is battling cancer. Also, pray for my friend **Marla** as she has a friend who's **daughter** has cancer and will need chemo.

Melissa Cole: Update on her father, James Wells. Please continue to pray as her father is now in a memory care facility in TN. He is in the later stages of Alzheimer's. Continue to pray, as well, for her mother, **Billie**, as these developments have been so difficult for her in many ways.

Chris Dixon, Cathy's son: Please pray for his recovery from being shot while at work a few weeks ago.

Joe Triola, Anthony Puleo's uncle had back surgery a few weeks ago and he is now in physical therapy. However, he is in a great deal of pain and has difficulty breathing. Please pray for his recovery to go better.

Eva Firmani, Returning Guest: Prayers for my 90 year old **uncle's** health. For God to lead me to an appropriate position to supplement my disability. To find doctors to help my condition. Pray for my relationship and discipleship to my **children**.

Dana Fjeran: Please continue to pray for my dad, **Richard Beers** as modified treatments are being worked out. He is weak and tired.

Jennifer Colley: Premature **grandbaby & daughter**.

Kayla Kelly, Returning Guest: Please pray for us to get the home we have a contract on and prayers for a loved one in their recovery.

Francie Koenig: My son-in-law, **Dick Mavis**, has to have prostate surgery soon. My brother-in-law, **Lynn Bargaen**, is having tests for unexplained lethargy. **Carl Lancaster:** Pray for **Bo Roberts**, for peace, strength and direction.
