Christian sympathy is extended to the family of **Deryl Borders**. He passed away last Sunday after battling several illnesses over the years. His family was to have a graveside service in Robbinsville, NC. Please be in prayer for **DA and Leighton** over the days to come as they mourn this loss. Deryl's wishes were that everyone become an organ donor. If you choose to do so in his name, please use American Transplant Foundation.

Friends & Relatives

Wanda Williams: Thanks to all of you who have been praying for my mom, **Jessie McNair**! Aggressive cancer has been confirmed so she will need radiation and probably a chemo pill. Doctors were to finalize her plan this past Friday, given her age. God is giving her the strength she needs and preparing her for the road ahead. Thanks for your continued prayers for her, the doctors and our family! We serve a mighty God and we are grateful He is with her!
Patrick Tesner: Requesting prayers for my **Uncle Kevin Hensley**. He has been diagnosed with Stage 3 kidney disease. He is not a Christian. Please pray for his salvation. Also pray for my **Uncle Ron Hensley** as he prepares for abdominal reconstruction surgery.
Nina Bloomingburg: My **family in Surabaya** narrowly escaped the church bombings that occurred a week ago. Praise for that, but continued prayers for their safety and all **Christians living in Indonesia**.
Yvonne Reeder: Praise report on **Mel, my daughter's neighbor** in GA. She is well enough to undergo surgery in a few months. Please pray for success, only 40% survive. Travel mercies for my family.
Gary Meixner: My **father** is in the hospital due to a reaction to medication.
Nancy Jones: Coraline's surgery was successful. She had a very rough 4 days, but is home now. She is still in some pain. It will take time for her to heal completely. Please continue to pray for her recovery.
Rita Parker (Returning Guest): Pray for my two sons, **Adam and Matthew Greene**—for them to return to God and live for him.
Emily Keith: My **co-worker's mother** doesn't have much longer to live as her cancer is getting worse. Also, Stewart and I have a very **close friend** who needs all the prayer she can get for her and her two daughters. She is going through some medical issues and is having a hard time right now.
Anthony Puleo: A co-worker has asked for prayers for his relative in Toledo, OH. The relative is **David Gaylord,** age 72. He is hospitalized with complications from a recent heart attack. He has been living with COPD for the last 15 years and is in serious but stable condition.
Kristi Kline: My roommate's younger sister, **MyCaila Clardy**, 18, has been having intense headaches and vision issues. The results of all of her testing has come back. She does have amass behind her eyes affecting her spinal cord, but fortunately they do not believe it is cancer. They are going to be starting her on a few medications that the doctors hope will resolve the complications without surgery.
