# Prayer Concerns & Praise Reports

## Church Family

To date, over 166 names have been turned in in regard to salvation. We will not be publishing these names. However, please be in prayer for these family members, friends, co-workers and neighbors as God knows the names and he knows the situation.

**Carl Lancaster:** Pray for the elders, ministers, staff and teachers as they provide leadership for this body of believers.

**Nathaniel and Janice Butler:** For revival for our church.

**Stephen Gray:** Prayers for Sarah's health during a physically demanding residency at work.

**Maddox Sidney:** Please pray for me and my baby sister as we have a cold. Also, be with my mother, Holly, as she is in Florida signing papers for our new house down there.

**The Kogers:** Our move and transition of our family to Georgia. We are so thankful for all the blessings from HPC along the way during our time in South Carolina.

**Tricia Driggers:** Pray for Bob this week. On Wednesday, he had scans and Thursday we met with the doctor to see if he will continue chemo.

**Lauren,** daughter of Tabatha Bryson and Jacob Campbell, had surgery over a week ago at MUSC to repair an issue with her heart. Everything went well and while she is dealing with pain, she is recovering.

**Kim Smith:** Patrick got a job last week. I am still working but looking for another job. My mom is not doing well.

**Thomas Bayton:** Please pray for me as I will be having cataract surgery next month. Pray it will go well. Also pray for Jenn who just lost her husband in his sleep. He had been having heart problems.

**Patrick Tesner:** Praise Report-I just want to publicly thank God for the Holy Spirit. I know that God is moving in positive ways in my life right now.

**Izzy (HPC Youth):** Pray for my visit with my aunt. That it will go well. And pray for all of my family. Thank you so much.

**Sylvia Arthur:** Please pray for Dan and Teri Goddard. Teri's sister died and Teri is having a hard time dealing with the unexpected death.

**Riveras:** Please pray for Jeannette's current condition of acid reflux. Ralph is having arthritis pain in his neck.

**Ron Rabenhorst:** Brenda continues to improve but still needs prayers for building strength and endurance.

**Barbara Brim:** Need prayer for my daughter, LeeAnn. She has not been attending church. Pray she knows this is where she needs to be.

Please continue to remember others in our family that are shut in and unable to worship with us regularly.

## Friends & Relatives

**Joshua Lorentz:** Pray for Kyle LeBlanc.

**Sky Armentrout (Coworker of Jason Carter)** Is currently in the ICU and his prognosis is not favorable. Sky recently had 2 feet of his intestines removed and now has an infection. He is married and has two children between the ages of 10 and 15. Please pray for healing him and strength for him and his family.

**Pat Hornsby:** My son and his family are flying to Europe for 3 weeks. This is the first time for some of them.

**Cathy Dixon:** Please pray for my son, Chris. He has many issues. Praise God he has been given a second chance and prayers for our church.

**Ralph & Jeannette Rivera:** Please pray for a co-worker, Nick Bogavich who had cancer. Please pray for the family.

**Thigpens:** For a family member in the hospital to feel better.

**Wanda Williams:** Thanks to all of you who have been praying for my mom, Jessie McNair! Aggressive cancer has been confirmed so she will need radiation and probably a chemo pill. Doctors were to finalize her plan this past Friday, given her age. God is giving her the strength she needs and preparing her for the road ahead. Thanks for your continued prayers for her, the doctors and our family! We serve a mighty God and we are grateful He is with her!

**Patrick Tesner:** Requesting prayers for my Uncle Kevin Hensley. He has been diagnosed with Stage 3 kidney disease. He is not a Christian. Please pray for his salvation. Also pray for my Uncle Ron Hensley as he prepares for abdominal reconstruction surgery.

**Yvonne Reeder:** Praise report on Mel, my daughter's neighbor in GA. She is well enough to undergo surgery in a few months. Please pray for success, only 40% survive. Travel mercies for my family.

**Rita Parker (Returning Guest):** Pray for my two sons, Adam and Matthew Greene—for them to return to God and live for him.

**Emily Keith:** My co-worker's mother doesn't have much longer to live as her cancer is getting worse. Also, Stewart and I have a very close friend who needs all the prayer she can get for her and her two daughters. She is going through some medical issues and is having a hard time right now.

**Anthony Puleo:** A co-worker has asked for prayers for his relative in Toledo, OH. The relative is David Gaylord, age 72. He is hospitalized with complications from a recent heart attack. He has been living with COPD for the last 15 years and is in serious but stable condition.

**Lonnie Byrd:** Keep praying for comfort and wisdom for my family. My Mom has been through so much, and has excruciating pain. On

top of that, the cancer is back in her jaw once again.

**Vicki Cannon:** Pray for salvation for my brother, Bobby Stevens. He also has cancer on his nose and now possibly has cancer on his ears. He is still recuperating from open heart surgery, and not healing as fast as he thought.

**Francie Koenig:** My son-in-law, Dick Mavis, had prostate surgery on the 7<sup>th</sup>. Pray for his healing. My brother-in-law, Lynn Bargaen, is having tests for unexplained lethargy.

**Warren Martin:** Please pray for my children and my grandkids.

**Alison Wofford:** My mother, Janet Adee has been diagnosed with congestive heart failure, and will have to have open-heart surgery soon (not yet scheduled). The course of treatment afterward has not yet been determined.

**Toya Adams:** Asking for prayers for a co-worker, Ruth McAmich and her family. She has 4 different cancers and they are all in Stage 4. This family really needs our prayers. Requesting prayer for my daughter, Megan Andrews. She had back surgery on the 19<sup>th</sup>. Asking everyone to pray for a speedy recovery for her as well as prayers for her family.
