Prayer Concerns & Praise Reports

Church Family

To date, over 166 names names been turned in in regard to salvation. We will not be publishing these names. However, please be in prayer for these family members, friends, co-workers and neighbors as God knows the names and he knows the situation.

Stephen Gray: Prayers of encouragement for **Sarah Gray.**
Sharon Powell: Dear Church Family, I recently heard talked to someone whose family member had been on the prayer list for many months. They said that they had not received one card, or call or visit. My heart was grieved greatly. I make so many excuses not to reach out, and I am ashamed. Let us all try to 'love extravagantly'!
Janice Spivey: Pray for Holland Park Church of Christ to grow. Pray for Matt. Pray that others will see Jesus in us.
Izzy (Youth): Pray for **me and my house, my mom's house**, and also pray for my **aunt and uncle**. Pray for my **sister, Kathren**, that she will be safe. Pray for **my house mom and their family.**
Kim Smith: No job prospects yet. **My mom** is doing better.
Tammy Washburn - Several Unspoken requests, **Julia Cochran** (cancer), **Ernezst Lark, Patrick & Tiffany Smith**
Tiffany Smith - If anyone has any houses for rent, please let us know. We need to move ASAP. Please be in prayer that we can find something for under $900 a month. Please also be in prayer for me. I need a car. I have no AC in my car. It's going to cost $800+ to fix. I can't afford it. Needs many repairs. If anyone here has any connectionswhere I can obtain a used car for cheap, please contact me, 864-735-5918. Thank you church family.
Butlers: Pray for a safe summer for all **HPC students and all students in Greenville.**
Stikeleathers: Prayers for safe travel the next few weeks & for a successful first week of camp for **Will.**
Rachel Averell will have eye surgery on July 13th in Atlanta. Please pray for her surgery to be a success.
Angie Fuller: My last chemo treatment was June 27. I had an MRI last week with surgery to be scheduled in August. I don't have final results from the MRI as of this printing. Please continue to pray as this process is still ongoing. Thank you so much for the prayers, and for every act of kindness you have shown me through the first part of this process. It has meant more than I can express.
Bob Driggers' body can no longer handle the chemo treatments. At this point, his doctor feels that Bob only has a few weeks to live. He is at home now on hospice care. **Tricia's** main request at this time is for you all to pray for peace for both her and Bob.
Emily Keith - **Stewart** will have oral surgery later this month.
Thomas Bayton: Please pray for me as I will be having cataract surgery this month. Pray it will go well.

Please continue to remember others in our family that are shut in and unable to worship with us regularly.
