Prayer Concerns & Praise Reports

Church Family

To date, over 166 names names been turned in in regard to salvation. We will not be publishing these names. However, please be in prayer for these family members, friends, co-workers and neighbors as God knows the names and he knows the situation.

Dana Fjeran: My mother (Joyce Beers) had a heart catheterization Friday morning. She was almost 100% blocked in the right coronary artery and 80% blocked in a couple places so stents were placed Her valves are much worse than earlier this year and she probably would require a double valve replacement and bypass surgery, but she's probably not a candidate for that. The doctor has given her lots of blood thinners and will watch her closely because of her history of G.I. bleeding. He said she has very serious heart disease. Mom came home today. Please pray for my mom, dad and our family as we learn more about what the next steps will be.
Cathy Dixon: Please continue to pray for my son and his family. He is now taking six steps on his own. Thank you.
Zoe (HPC Youth): Pray for my brother Dylan because he is going through something and is very conflicted.
Brooklyn (HPC Child): Pray for my Mom, my Pop, my brother, Parker, my Grandmother, my dog, Zoe, my Daddy, my Uncles, my Cousins, my aunts, my great-grandmother, Elissa, my sissy, Susanna. Thank you!
Susanna (HPC Youth): I'm moving in with my dad. It's been difficult because it is a huge change. Pray for my sister, Brooklyn. She is turning 8 in December. She is so amazing.
Yvonne Reeder: Continued prayers for Dawn as she starts chemotherapy for bladder cancer this week.
Doneli Read: Seeking employment. Laid-off last week.
Patrick Tesner: Please continue to be in prayer for my Uncle Kevin. He is having bladder reconstruction surgery at Wake Forest on September 6th.
Samantha Williamson: Prayers for my mom, Donna who has had many health struggles recently. She has lost partial sight in her left eye and doctors are letting her body try to heal itself as surgery is too risky at this time.
Kim Smith: My dad's health issues. Still no job prospects.
Rhonde' Murphree had an endometrial biopsy done on Monday. We were very encouraged to learn Thursday that Rhonde's biopsy was benign. However, the results won't be considered 100% certain until after a D&C and a second biopsy next week. Thank you for you continued prayers! Love Matt and Rhonde' Murphree
Angie Fuller: Had her surgery this past Tuesday, August 14. She is now recovering at home. Again, her family and her are beyond thankful for each and every prayer lifted on my behalf. Please continue to pray as she faces the next phase of this journey.
Tiffany Smith: I am in need of a vehicle. Thank you for your prayers for God to intercede on my behalf.
Tabatha Bryson: Prayers needed for peace and strength
Tricia Driggers: Pray for **Bob** that the end will come easy for him.
The Cannons: Traveling grace. We are heading west in our RV for a few weeks. Pray also that we can find good places to worship while we are gone.
Tammy Washburn: Several unspoken.
Rex Keely: Please pray for **Annette**. Her back pain has increased dramatically. The recent surgery procedure has not helped. She will soon be going to Dallas to the Texas Back Institute.

Please continue to remember others in our family that are shut in and unable to worship with us regularly.
