Please pray for the doctors to make a accurate diagnoses and to quickly prescribe the best treatment. Pray for complete healing for Elise and peace and stamina for her family.
Kathy Bond: I received a clear diagnoses from both my oncologist and surgeon this week. I am thankful to the Lord for healing me, and thank for all the nurses, doctors, and staff involved in my treatment. I am also thankful for all of your continued prayers.
Zoe Angel: My brother, job, and relationships
Joshua Lorentz: Kyle LeBlanc serving in Afghanistan.
Yvonne Reeder: Continued prayers for Dawn. She is experiencing complications with chemo, so doctors are trying a new type. She appreciates our prayers.

Dale & Pat Midyette: Please pray for Allen's recovery from surgery.
Carl Lancaster: Prayer request for unnamed woman suffering with caretaker fatigue.
Hogue Family: Nathan's mother passed away this week. Please pray for safe travels as we travel to Pennsylvania for the funeral, and pray for comfort and strength for the family in this time of grief.
Jennifer Colley: Daughter – new baby sleeping
Butler Family: Pray for this year's Bible classes for the public school students through Christian Learning Centers of Greenville County. Truth-Conviction-Harvest
Jack and Anna Scruggs former members: **Jack** fell last week and fractured his hip. They are not doing surgery and instead doing rehab and pain medication. He is having a lot of pain. He is at Rolling Green. Please keep Anna and Jack in your prayers.
Robbi Perry: My 81 year old mom, **Juanita Garrett**, was dizzy Monday and taken by ambulance to the hospital in Lubbock Texas where she lives. They found a large, malignant mass on her sternum, surrounding and compressing her aorta (thus the dizziness). We're waiting for final pathology results, but treatment options do not give favorable outcomes. She is a member of the South Plains Church of Christ in Lubbock. I flew out this afternoon to be with my 2 sisters. Please pray for healing, guidance and peace.
John Baker: Brother-in-law **Rick** has been diagnosed with A Fib.
Tammy Washburn (Guest): Several unspoken, **Julia Cochran** (cancer), **Tiffany & Patrick Smith**
Patrick Tessner: Please pray for my Uncle **Kevin Hensley** as he will be having a rather serious surgery the first Friday in September. Please also pray for his salvation. Thank you for all the prayers for my Uncle **Ron**; he recovered very well.
Dana Fjeran: My mother (Joyce Beers) had a heart catheterization Friday morning. She was almost 100% blocked in the right coronary artery and 80% blocked in a couple places so stents were placed Her valves are much worse than earlier this year and she probably would require a double valve replacement and bypass surgery, but she's probably not a candidate for that. The doctor has given her lots of blood thinners and will watch her closely because of her history of G.I. bleeding. He said she has very serious heart disease. Mom came home today. Please pray for my mom, dad and our family as we learn more about what the next steps will be.
Cathy Dixon: Please continue to pray for my son and his family. He is now taking six steps on his own. Thank you.
Brooklyn (HPC Child): Pray for my Mom, my Pop, my brother, Parker, my Grandmother, my dog, Zoe, my Daddy, my Uncles, my Cousins, my aunts, my great-grandmother, Elissa, my sissy, Susanna. Thank you!
Samantha Williamson: Prayers for my mom, Donna who has had many health struggles recently. She has lost partial sight in her left eye and doctors are letting her body try to heal itself as surgery is too risky at this time.

Please continue to remember others in our family that are shut in and unable to worship with us regularly.
