Sharon Powell: One of my WEI (World English Institute) students, Lander, sent me this sad message a few weeks ago:
"Well... The political chaos affects every single one of us. Haiti now is going down the tubes and us young peoples should be the worst victims. I have never seen this kind of tribulation before, therefore it's difficult for to even explain how I feel and how damaging this issue is. How have you been? I am trying my best to eventually migrate to the Dominican Republican, although I may face other challenges before I settle but I'd rather do this instead of dying somewhere without any kind of hope." Lander has been my students for about 7 years. I even met him when I was in Haiti. Please keep this young man in your prayers! Thank you!
Carl Lancaster: Priscilla Langley has kidney cancer. She was a former co-worker. Pray for her.

-Expansion of our programs--especially our high school online programs
-Additional teachers whose hearts are ignited for the gospel
