Bob & Leah Davis have requested prayers for their **grandson, Aaron.** He is in the hospital in serious condition with possible ulcerative colitis. He has been hospitalized since Sunday. He was to go home this Friday 3/20. Please pray for his health to be restored quickly.
Sharon Powell: Letters from **Lander**, my student in Haiti. January 25, 2020 "Hello Sharon, I am happy we are finally able to enjoy normal days even though things get rough. Hope has been nonexistent in Haiti for a long time. I am starting to think that the only way out now is to find me a girl somewhere else, get married and leave the country. Basically, moving to the Dominican Republic won't resolve the crisis all the way, the biggest desire is leave the island because Haitians are not welcome in the DR." Stay blessed, Lander. Update about **Art Jablonski** who is struggling with potential Christian martyrdom in Poland: The elder who originally sent the request said he had heard from Art, who said he "believed prayers were being answered." Please keep praying!
Angie Fuller: Please pray for a dear family friend, **Christy Pless**. She has recently been diagnosed with stage 4 colon cancer. She has started chemo and will have surgery to follow. Christy has a strong faith in God's will for her life and is facing this with optimism and hope.
