HOLLANDPARK CHURCH

Small Groups

At Holland Park Church

Pursuing relationally is core value at Holland Park Church. We are not meant to walk the Christian path alone, but with a fellowship of believers, and we can develop relationships best in small groups. There are already a few of these groups meeting currently at Holland Park as traditional small group Bible Studies, the Ladies Bible Study, the Barnabas (Men's) Group, and others; and we want to offer this opportunity to a larger portion of our congregation and to our neighbors. This as a great way for our newest members and visitors to get to know us better.

When you think of small groups, you may think of a traditional groups meeting on Sunday evening. These are great, but may not fit the schedule or interests of everyone. We would love to see small groups on other days and times, perhaps breakfast or lunch gatherings. Perhaps coffee clubs, singing or music interested groups, prayer groups, groups interested in deep Bible Study, or those that enjoy short devotionals and deeper conversations. Though they may look different, ***the centerpiece of small groups at Holland Park Church will be a growing love for God and for each other.***
